ABSTRACT	<p>The crisis management preparedness is both the responsibility of public authorities and citizens. This guide will help families to be autonomous during a crisis by developing a safe keeping family plan. It can be realized directly with his own family in order to reinforce his capacity to overcome those tough situations thanks to a knowledge about the following topics :</p> <ul style="list-style-type: none"> The risks that the family can face in a specific area The means that are implemented in a city to warn the citizens if a danger occurs The safety instructions that citizens will have to respect in order to stay safe The safe places recommended by the public authorities How to pack an emergency kit Key telephone numbers
